FONDUES

ALWAYS save room for dessert...
the only thing better than cheese
fondue is chocolate!

ALWAYS wait your turn! Skip the line
and you'll miss your next go

ALWAYS let ladies dip first.
it's only polite

ALWAYS bring as many friends as
possible. Fondue is about sharing!

ALWAYS ask for more.
You can never have enough cheese!

FONDON'TS

DON'T double dip,
unless you ask first

DON'T dip with your fingers -
Those pots are hot!

DON'T drip onto the table. Don't
forget to do the twirl!

DON'T drop your food in the pot
or else you owe the person
to your left a drink

DON'T stir counter-clockwise or
else dinner's on you!
